

20Time Exit Ticket

1. Your name:
2. Mark an "X" on this line to show how your project is coming along:

I am drowning in a sea of uncertainty or inertia.

I'm getting things done, but I really wish I could just work on homework for other classes instead.

Awesome! Everything is moving along nicely and I think my project could thrill the world.

3. What specific steps will you take in class tomorrow to work toward your goal? How will you spend your time?
4. What resources will you need to bring to class to accomplish tomorrow's work?
5. As your guide, is there anything I can do in class tomorrow to help you? If "yes," specifically explain how I can help.
